V. Outreach activities during period

- 1. **Internship Program:** OETA had numerous students from various colleges and universities participate in the internship program. Internships were available in production studio/control room, news and public affairs reporter/photojournalist and Documentary reporter/photojournalist/editor/writer.
- 2. **Scholarship Program:** OETA awarded four Dillehey/Thrash Scholarships during this period. These scholarships are awarded to outstanding students with broadcasting majors for use towards their education expenses. Students applied through the college-broadcasting departments at their schools in the fall. The applications were evaluated, the top candidates were interviewed and the top four students were awarded scholarships of \$1,000 each. Zayna Haliburton, Cameron University, Sophia Babb, Oklahoma City Community College, Brylee Dawn Harbuck, Rogers State University, and Paul Pugh, Langston University are this year's winner.
- 3. **Broadcast Student Seminar:** In October 2016, OETA hosted its annual seminar for broadcast students enrolled at universities and colleges with membership in the Oklahoma Broadcast Educators Association (OBEA). The event was jointly organized and orchestrated by OETA and OBEA. It featured speakers and panels discussing relevant issues in broadcasting to give students the opportunity to ask questions and learn from seasoned professionals.
- 4. **Training Programs:** During this period, supervisors attended Human Resource Development Services workshops, and some of the employees attended technical training. Employees often attend professional training courses throughout the year.
- 5. **Community Engagement:** Traveled across the state to provide Ready to Learn parent workshops, teacher trainings and free family events that promote and encourage early learning. OETA also hosted more than 20,000 people attended events throughout Oklahoma for such events as OETA Day at the Capitol, a statewide Children's Storybook Contest and Celebration and Read Across Oklahoma at the OKC ZOO, bringing in thousands of Pre-K students, teachers and parents for a day of literacy celebration, free books and interaction with PBS KIDS characters. Provided free Cat in the Hat literacy engagement events at Metro Tech daycare centers and mercy Health Clinics. Introduced new Explore the Outdoors program at various Oklahoma State Parks that included STEM curriculum. Other services include four Downton Abbey screenings, Community Cinema screenings and discussions of documentary films, free educational materials at the Thomas the Train events. OETA provided digital media presentations and trainings for Oklahoma educators at education conferences. Staff from OETA attended the OAB (Oklahoma Association of Broadcasters) Career Fair in March 2016. The purpose of this fair is to join with other broadcasters to allow students and other professions from around the state to bring resumes and/or discuss job openings in the field of broadcasting.
