

We are thrilled to invite you to be a vendor at our upcoming event focused on inspiring middle school students about exciting career paths in the aerospace and aviation industries. This event will not only introduce students to the Individual Career and Academic Plan (ICAP) but will also immerse them in the dynamic world of aerospace careers.

### Event Highlights:

- **Aviation and Aerospace Focus:** Engage with students as we showcase diverse career opportunities in aviation and aerospace and explain how ICAP can guide their academic and career goals.
- **Interactive Bingo Activity:** Students will use Bingo Cards to explore career goals, certifications, financial aid, and more through hands-on interactions with panelists, vendors, and exhibits. They'll have a chance to win prizes by completing their Bingo cards.

**Your Role:** Your insights and experience will be invaluable in helping students connect with industry professionals and gain a deeper understanding of career pathways in aerospace and aviation. Your participation will play a crucial role in making this event a success and guiding these young minds toward promising futures.
