- Ingest and prepare file-based content for scheduled airtimes.
- Conduct media quality control (video, audio, closed captioning, etc.).
- Monitor and verify performance of OETA's local streaming channels.
- Oversee remote feeds from four statewide digital transmitters.
- Identify and escalate issues based on established procedures.
- Log and report equipment or transmission irregularities.
- Perform additional duties as needed in support of operations.

## **QUALIFICATIONS**

- Experience in television or broadcast operations.
- Familiarity with FCC regulations and digital media standards.
- BA degree in broadcasting or related field, or equivalent experience.
- Ability to follow written and verbal instructions.
- Excellent attention to detail and time management skills.
- Strong multitasking ability under pressure
- Comfortable working independently, including nights and weekend shifts.
- Good communication and customer service skills.
- Familiar with computer software i.e. Microsoft Office preferred.
- Ability to lift up to 50 lbs.
- Commitment to fostering a respectful and inclusive workplace.

## **COMPENSATION**

Salary range: \$38,000 - \$45,000. A generous benefit package including health, leave, retirement plus much more is included.

## **HOW TO APPLY**
